

## ARABIAN HORSE FOUNDATION SUPPORTS ARABIAN YOUTH WITH SCHOLARSHIPS

During the Foundation's annual scholarship award program, the Foundation awarded \$39,500 in scholarships to high school students that have represented the Arabian breed in a positive manner, have performed extremely well in their studies and have been excellent members in their communities.

At the Arabian Youth Nationals, the Foundation in partnership with Markel Insurance awarded \$5,000 to the high point rider and horse. The team competed in showmanship, equitation and a performance class. We thank Markel Insurance for their partnership and their support of our Arabian youth.

Further, the Foundation also awarded scholarships in the English equitation classes. The funds for this scholarship was donated by Robert Battaglia in memory of Russ Vento. We thank him for Mr. Battaglia for his support over the years.

Additionally, at this year's AHA Convention, the Foundation will be awarded additional scholarships.

The Foundation is able to do this only with the generous support from the members of AHA.

The Arabian Horse Foundation, the official charity of AHA, is an IRS 501(c)3 charitable organization and your donations to it are tax deductible. The Foundation supports youth education, research into genetic diseases that affect the Arabian horse and horses that find themselves in danger from natural disasters.
